

## In- Service Program at Patna, India

Sisters Mary Kristin and Sreeja successfully conducted the In- Service Program for the administration teams of Visitation Province (Sisters Mary Sandhya, Sneha, Prema, Rosilin and Chetna) and Our Lady of the Assumption Province (Sisters Mary Tessy, Nishkalanka, Udaya, Alice, Anjali, Shikha and Anushila) from March 4<sup>th</sup>-13<sup>th</sup> 2017 at the provincial house, Patna, India.

The meticulously planned program of ten days aimed at equipping the teams to fulfill their responsibilities in the spirit of our constitutions. We are deeply indebted to Sisters Mary Kristin and Sreeja for gracefully accompanying us during these days of training to face our truer self and to become persons of integrity so that our personal gifts would be beneficial in decision-making processes. We treasure the inward journey with inspirations and insights

experiencing God's goodness and love. We are challenged to live incarnational spirituality, grow in life-giving relationships and be one in diversity trusting in God who makes all things new.

It was a great joy and privilege to celebrate the Golden Jubilee of Sister Mary Kristin on 11<sup>th</sup> March with an inspiring Eucharistic celebration, a colorful cultural program followed by a delicious fellowship meal.

God's abundant blessings and our warm affection envelop you dear Sister Mary Kristin and Sister Mary Sreeja as you lead the congregation, encountering the Word and engaging the world.
