

May Crowning, Incheon, Korea

At 5 PM on Saturday, May 11, 2019, sisters of Regina Pacis Province, Incheon, gathered with associates and volunteers of the Azalea Bazaar for May Crowning.

Under the theme “Mother Who Holds the World,” we had a beautiful evening centered around rosary prayer and meditation. The statue of Mary was honored by the crown, an offering of flowers, decorative plants, and a beautiful large candle.

The ceremony was enhanced by the associates’ poetry reading and violin performance, and sisters’ songs and recorder performance.
