

Golden Jubilee, Bangalore, India

The long awaited Golden day was dawned with all its blessings, excitement and joy as Sisters Mary Sujata, Dulari and Anupa celebrated their Golden Jubilee and Sister Priyanka who celebrated her Silver Jubilee on December 27th.

The jubilarians were blessed with a creative morning prayer followed by the community wishing them with a song followed by a delicious breakfast. Around 11:30 am there was Holy Mass celebrated and concelebrated by four priests with the melodious singing and the meaningful liturgy that brought much happiness. There were almost three hundred people who had gathered for the celebration including the priests, sisters from the neighborhood communities and the family members of our Jubilarians. Srs.Beena, the provincial of the Assumption Province, who is also a niece of Sr.Sujata along with Sr.Sujita from Patna Province who came to conduct Spirituality Renewal Programme, were parts of the celebration.

We also had a beautiful entertainment program for the Sisters. The Jubilarians were indeed very glad and thankful to all the Sisters who made it a special celebration for them.
