

## Special Thanks to the Chapter Secretaries

October 10, 2016

Today the Chapter moved into the second phase—surfacing the focus areas for the next six years. This is a good time to extend special thanks to the Chapter secretaries. Sister Alice Marie from the Toledo province is the secretary for the Chapter assisted by Sister Mary Jolene from the Generalate. The sisters are recording the proceedings of each day and file them every evening in Google Drive where the Chapter members can read them in the comfort of their own room. This paperless process is a first for our Chapters and is appreciated by all.
