

A visit with our Italian sisters, Rome, Italy

On February 16, seven sisters from our Italian house joined the Motherhouse community for dinner. It was a joy to have our sisters with us and for them to spend some time with the new General Government. Their visit was also an opportunity for them to meet our new Language students.

The Previous General Government had received the gift of a Pilgrimage to Portugal, Spain and France at the end of last year. The Italian sisters expressed their interest in hearing about the pilgrimage experience. Since Sister Mary Kristin, Sister Mary Sreeja and Sister Maria Elke were part of the pilgrimage group, they were able to share glimpses of the trip in a powerpoint presentation. We enjoyed each other's company and had a very pleasant afternoon.
