

## Easter Greetings from the sisters in Coesfeld, Germany!

As many will remember, after the closing Mass of the General Chapter 2016, all the participants together with the sisters from Kloster Annenthal went outside where they planted a small tree in front of the main entrance. Sister Mary Kristin, our superior general, said at the time that this tree is a remembrance of the historical event of the General Chapter held in Coesfeld. At the same time it stands as a symbol of the new life in our Congregation and of the fruit of all the deliberations and decisions of the General Chapter 2016. As you can see, our tree is thriving and indeed a very encouraging sign of new life!

The sisters from Coesfeld asked to share the beautiful photo they took with all the sisters around the world – along with their wishes for a Happy Easter for everyone.
