

Spring picnic with migrants, Suncheon, South Korea

April 2, 2017, to provide refreshment and build up a sound recreation culture for migrants who have to labor in two-shifts or more than 12 hours in poor conditions and those in a possibly difficult family environment out of unfamiliar culture, we went on a picnic together.

On this occasion Fr. Benjamin, the Director of Korean Community of Guadalupe congregation and Sr. Solina, SND were with immigrant workers from the Philippines and East Timor, Filipinas from multicultural families and children.
