

Partners in Mission Annual Donor Mass and Luncheon

The Chardon Sisters of Notre Dame annual Donor Recognition Mass and Luncheon was held on April 28, 2019 at the Sisters of Notre Dame Provincial Center with more than 200 in attendance. Sister Marie Manning, SND, Global Missions Coordinator, recognized the sweeping efforts of more than 80 schools and religious education programs over the past 25+ years who devoted time and resources to educate children about SND global missions and the lives of students their age in foreign lands. Sister Margaret Mary Gorman, SND, Provincial Superior, Chardon Province, recognized Marilyn Rushen and her extended family who experienced the blessing of education in all its forms when several of her grandchildren attended Julie Billiart School in Lyndhurst, Ohio. Sister Mary Janelle Stracensky, SND, was surprised with special recognition for her dedication and personalization efforts with the SND Prayer Line for many years; and she remains a source of great comfort to prayer line callers.
