

Closing Mass of the General Chapter

The Chapter members gathered at Kloster Annenthal on Sunday, October 23 for the Closing Mass. The president of the Liturgy was Fr. Joshy Manjakunnel Devsia who knows some of our sisters from Kerala, India. The liturgy was international with sisters from the different congregational units taking part. The Korean sisters sang an acapella song during the offertory and the Brazilian sisters sang a meditation song after communion. As a “thank you” to the sisters at Kloster Annenthal for their prayerful support and loving hospitality during the Chapter, the sisters will be treated to a lunch of sausages and French fries from a food truck that will come to Kloster Annenthal at a date to be arranged!

Thank you to all who have followed the journey of our 2022 General Chapter by visiting our website and reading these daily articles, and especially for accompanying us with your prayers. God is good and we are indeed blessed!
