

# Master study Scholarship

To support the ministries of the Province of Our Lady of Good Counsel and to comply with government regulations, the province sponsored a sister to pursue a master's degree in financial management. She successfully graduated in 2025, completing nearly two years of dedicated study..

One of the government regulations for nurses to practice in hospitals is the requirement of a professional certificate. To meet this standard, the Province of Our Lady of Good Counsel has been sending nursing sister to pursue Nursing profession. In 2025, one sister successfully graduated, marking a significant step toward fulfilling this professional mandate.

To serve on a hospital board, a master's degree in hospital administration is required. This year, one sister successfully graduated with a master's degree in hospital management, fulfilling this important qualification
